

PATIENT TESTIMONIAL

Dear patient,

We hope to educate and tell others about the effectiveness of chiropractic care on our patients. Please take a few minutes and let others hear about how chiropractic care has benefited your health &/or your family. Here are a few sample questions to help you.

- Describe your overall health prior to chiropractic care?
- How has chiropractic care changed your life?
- What would you say to a friend or family member who was curious about chiropractic care?
- What has pleased you the most in your course of treatment at our practice?

IN DECEMBER 2012 I DEVELOPED INTENSE
BACK PAIN IN MY LOWER BACK. I WAS
RECOMMENDED TO VISIT THE TEAM AT TOTAL
BALANCE CHIROPRACTIC, WITHIN A WEEK
OF STARTING TREATMENT THE PAIN REDUCED
SIGNIFICANTLY AND WITHIN A FEW MORE
WEEKS I WAS BACK TO MY PRE PAIN
STATE. ALL STAFF HAVE BEEN VERY
PROFESSIONAL AND THE TREATMENT VERY
BENEFICIAL. I CONTINUE TO SEE THEM
ON A MONTHLY BASIS TO MAINTAIN ~~THE~~
MY WELL BEING AT THE CURRENT LEVEL.
