

PATIENT TESTIMONIAL

Dear patient,

We hope to educate and tell others about the effectiveness of chiropractic care on our patients. Please take a few minutes and let others hear about how chiropractic care has benefited your health &/or your family. Here are a few sample questions to help you.

- Describe your overall health prior to chiropractic care? **My Health prior to care was ok; I regarded my self as physically fit, however due to a sports injury and had developed a lot a neck and back pain. I decide to see DR Terry to help me fix/overcome my problem**
- How has chiropractic care changed your life? **I don't suffer from severe Neck/Back Pain anymore. Thanks to Dr Terry, He showed my how to correct my posture and through Chiropractic work fixed my back.**
- What would you say to a friend or family member who was curious about chiropractic care? **If you are unsure please consult your chiropractor as they will work with you in aid to sort, fix, repair your Neck ,back problems**
- What has pleased you the most in your course of treatment at our practice? **I now don't suffer from severe Back pain; ordinary day to day tasks don't hurt and cause pain. Makes life so much more enjoyable. Thanks to Dr Terry Chen I now can enjoy life again**
